

## **Strong Women Empower Strong Women**

At IWI:

We believe every single one of us is here for a purpose.

We ask:

How can we live a more meaningful life?

How can we make a difference?

Our lives are fragile.

We handle life with love.

We handle each other with love.

Some days:

Are better than others.

At times we feel invisible.

Other times wow! Amazing!

We have what it takes.

We want to give up.

People laugh at us.

People laugh with us.

At times we celebrate.

At times, we share our loneliness, fears.

We remember:

God gave us a gift.

A passion.

A fire within.

We keep:

Moving forward

Dreaming our dreams

Oh, yes! Yes! Yes!

Life is worth it.

Family is worth it.

Friends are worth it.

We are worth it.

We:

Encourage everyone

Celebrate each other

Not just today

But every day we're together.

We all:

traveled different paths

Lived in different countries

Had different joys, hopes, sadness, fears.
